FROM: Mayor

SUBJECT: Amendment No. 1 to Professional Services Contract with Stephl Engineering, LLC, Chester Creek Aquatic Ecosystem Restoration, Project No. 01-05 ($235,761)

On October 9, 2006, the Assembly approved a professional services contract with Stephl Engineering, LLC for the development of a Design Study Report (DSR) and design for the Chester Creek Aquatic Ecosystem Restoration improvements. This project involves the design and construction of significant improvements at the outfall of Westchester Lagoon that, when completed will help to manage storm water runoff and enhance fish passage into and out of the lagoon.

The DSR and final design have been completed and the project has been bid and awarded to Hamilton Construction. Construction is scheduled to begin in August with final completion in 2009. Proposed Contract Amendment No. 1 will provide additional funding to supply construction support. Specific engineering and professional services funded by this amendment include:

- Execution of on-going public involvement
- Utility relocation coordination
- Onsite structural inspection during construction
- Engineering support during construction

**CONTRACT SUMMARY**

Original Contract Amount $963,431
Proposed Amendment No. 1 235,761
Revised Contract Amount $1,199,192

Barring any unforeseen conditions, we do not anticipate any further contract amendments.

THE ADMINISTRATION RECOMMENDS APPROVAL OF AMENDMENT NO. 1 TO THE PROFESSIONAL SERVICES CONTRACT WITH STEPHL ENGINEERING, LLC FOR THE CHESTER CREEK AQUATIC ECOSYSTEM RESTORATION, IN THE AMOUNT OF $235,761.
